Nmae	Pic	Description
Mitchell Santner		A left-handed batsman and left-arm spinner elevated to the New Zealand side after a previous season.
Anrich Nortje		Anrich Nortje is a genuine quick who has been described as "exciting" by none other than Dale Steyn. Like many of a big city but comes from the town of Uitenhage which is home to the largest Volkswagen franchise in South Africa. It's hardly surprising then, that Nortje is well known for regularly sending the speed gun over 150kph.
Alex Hales		Despite a central role in the resurgence of England following the debacle of the 2015 World Cup, Hales is remembered more for what he missed than what he achieved. The 2019 World Cup after it emerged he had a drugs test failure for a recreational substance. England management and the team's senior players' behaviour had caused a breakdown of trust, and Hales was also overlooked for the 2021 T20 World Cup.
Jos Buttler(c)		England have had many players down the years, but Jos Buttler is arguably their finest. Buttler helped bring England's limited-overs side to the top of the world rankings. He played a crucial role in his group-stage exit in the 2015 World Cup in Australia, and years later, with his efforts with the bat and ball, he helped England reach the final of the 2019 World Cup.
